Scor-Pal®  
Scissors  
Scor-Tape  
Stampin Up 1 3/8 Square Punch  
Stampin Up Word Window Punch  
Hobby Knife  
2" x 2" Acetate (also called transparency or window sheets)

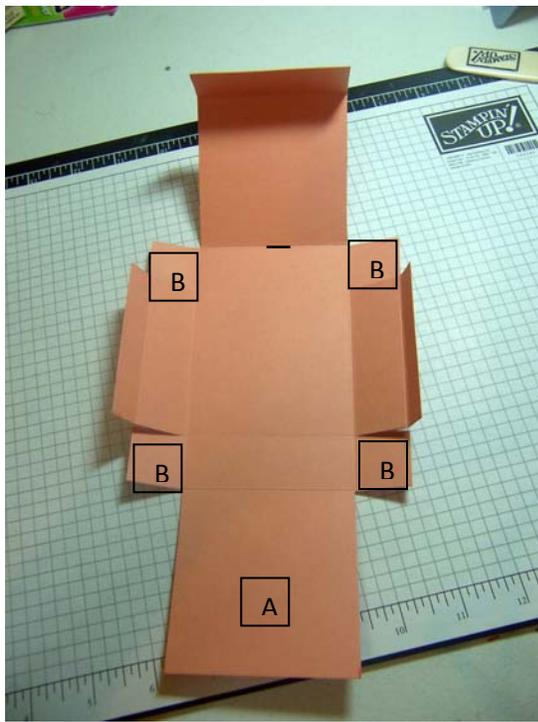

## **Step 1:**

Score the 6" width at 1/2", 1 1/2", 4 1/2" and 5 1/2"

## **Step 2:**

Score the 12" width at 3", 4", 7", 8", 11"

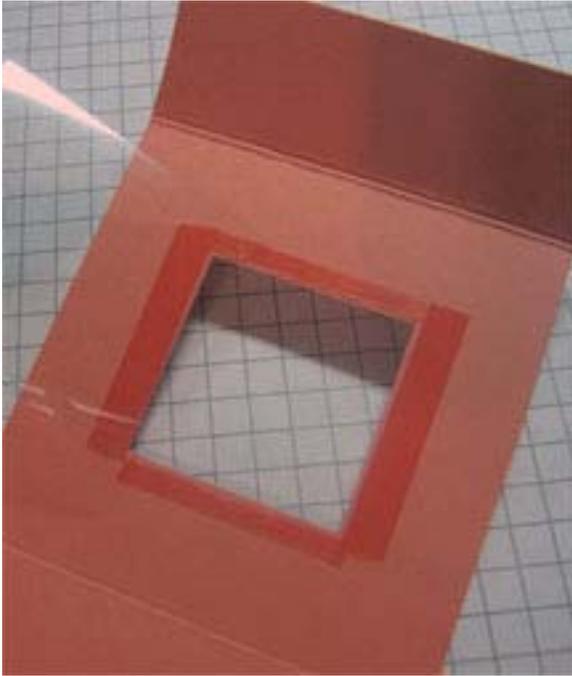

**Step 3:** Refer to the photo for cutting lines and

**Step 4:** Mark the center of the 3x3 Marked A in the above diagram

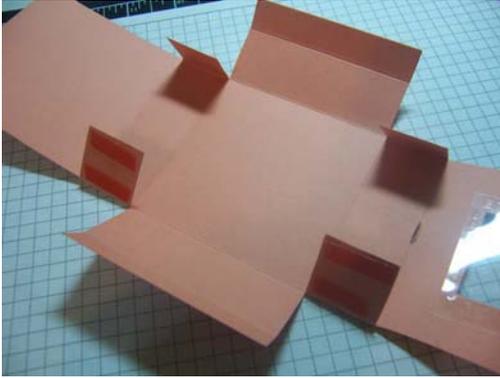

**Step 5:** Slide Section "A" into the punch lining up the center of your marked area inside the 1 3/8" square punch and punch out a square.

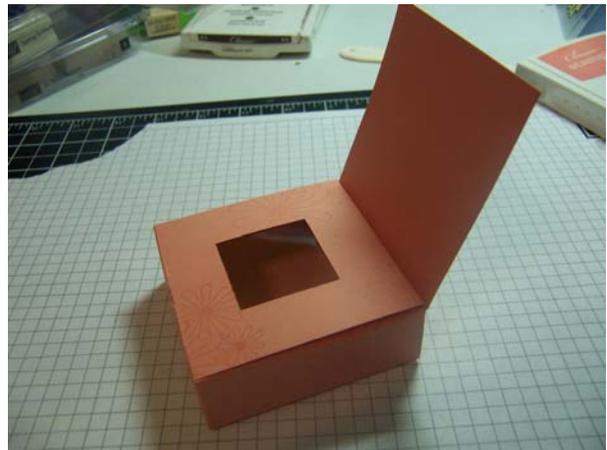

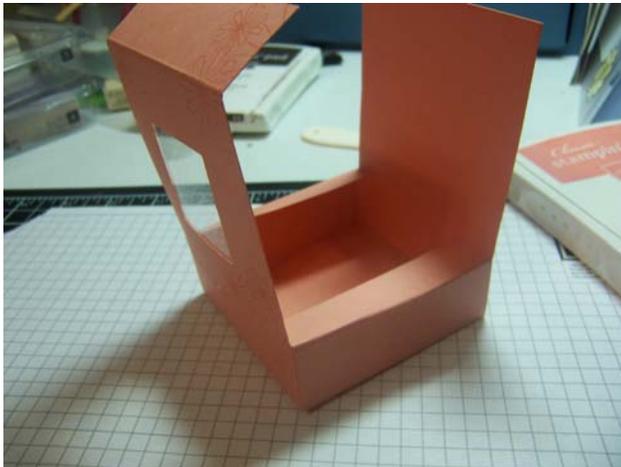

**Step 6:**

Outline your window with Scor-Tape ( Red line showing), remove the sticky Strip protective layer and apply the Acetate to the window.

**Step 7:**

Apply Scor-Tape to the outside of each of the 1" x 1" flaps labeled as "B" on the diagram above. Remove the protective side of the Scor-Tape and fold on the score lines to create the box.

**Step 8:**

Fold in the side flaps and continue to form box. Tuck in window section.

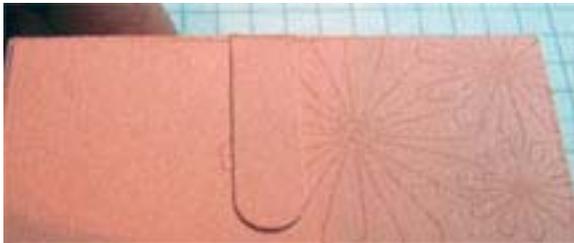

**Step 9:**

Using the Stampin Up Word Window Punch, punch a tab out of a piece of scrap paper.

**Step 10:**

Take the Word Window Punch and estimate the middle of your treat box flap. Using your Exacto knife, cut an opening a little wider than the tab. Refer to photo in Step 3 for placement. Slide your word window punch into the opening.

**Step 11:**

Add sticky Strip to the back top half of the word window punch and fold it over the back flap to secure the box closed.

**Step 12:** Decorate the top of the treat box and fill it with your treats!
