Step 1:

Score the 2 1/2" x 10 1/2" card stock at 2", 2 1/2", 6", 8" and 8 1/2" on the Scor-Pal®. Crease folds. Remember to fold so the score lines are to the outside of the fold.

Step 2:

Punch four holes in the section between the 2" and 2 1/2" score lines using the largest hole on your Crop-a-Dile or a 1/4" hole punch.

Step 3:

Attach the two printed pieces of Hemingway on the right side in the section between the 8 1/2" x 10 1/2" score/cut lines and the other between the 6" and 8" score lines.

Step 4:

Notch in the middle of the last section (between 6" and 8" score lines). If you do not have a notch tool you can attach Velcro.

Step 5:

Stamp the top front printed paper with Cognac ink, using the golf ball, 'Fore' and the letter 'U'

Step 6:

Stamp under that section (on the inside) with the golfer and the words 'plenty of play' from 'Bookoo Blessings

Step 7:

Put Scor-Tape™ on the underside of the printed paper. This is to help hold the tees in place, not attach the papers together.

Step 8:

Using Scor-Tape™ attach the holder together.

Step 9:

Tie a ribbon around the bottom section and knot in the front.

Step 10:

Put in four golf tees. Push them so they go up against the tape to hold them in place.
