By Valerie Stangle for Scor-Pal

Envelopes for square cards from 4" x 4" to 6" x 6".  
For all envelopes, the square paper will be lined up in a diamond format;  
top and bottom points lined up on **same groove** before scoring.

If directions note using your Scor-Mat for bottom point, line up the measurements from your Scor-Pal and Scor-Mat to create an extended line.  
(You will not be scoring on the mat.)  
When finished with scoring, notch out where lines intersect.

Fold in sides, fold up and seal bottom flap with Scor-Tape.  
Seal envelope top with envelope glue, Scor-Tape, stickers, etc.
