

"Soap Box"

Kitty Franken © 2008 All Rights Reserved

Supplies:

Scor-Pal

Cardstock:

One 7" x 7" bottom

One 7 1/16" x 7 1/16" lid

One 2" x 4"

One 3" x 4"

Zip Dry or Scor-tape

Embellishments

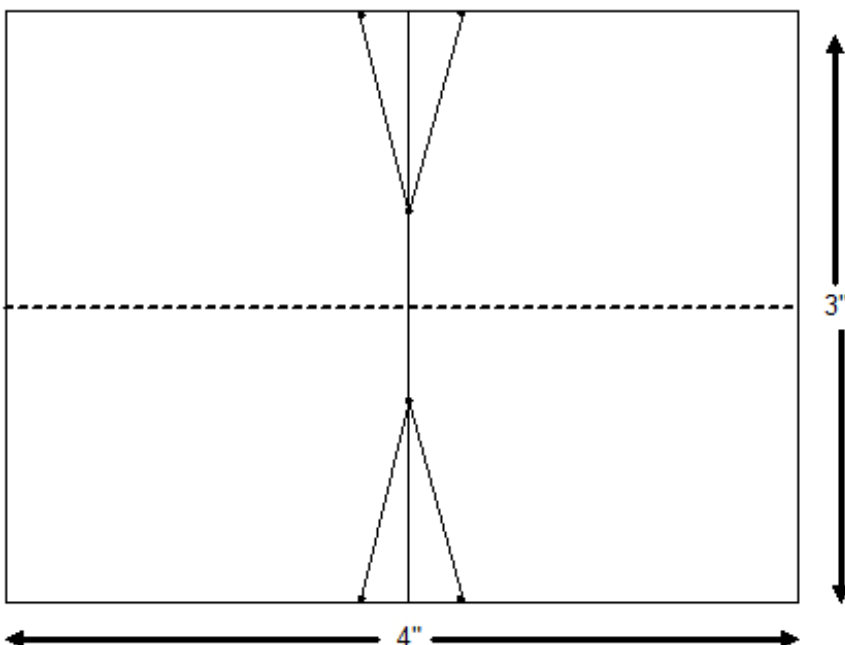

Step 1: Score the 7" x 7" piece of card stock at 1 1/2" and 5 1/2". Rotate paper and repeat.

Step 2: Score the 7 1/16" x 7 1/16" at 1 1/2" on each side.

Step 3: Punch a half circle (finger holes) on two opposite sides of the box lid. (photo does not show this)

Step 4: Cut tabs, fold and glue.

Step 5:

This drawing is not to scale. If you have a Scor-Mat use this for measuring. On the 3" x 4" piece of cardstock draw a line to divide the 4" length in half. Make a dot at 1" and 2". Measure along the 4" length and make a mark at 1 3/4" and 2 1/4". Repeat on other side. Draw lines as illustrated joining the dots. Cut out the v shape. Score at 1 1/2" on the opposite side to the markings (dotted line).

Step 6:

Score smaller piece at 1".

Assemble as shown in photo. Fit into your box. Embellish lid of box.

Voilà a box you can fill with fancy soaps, candles, whatever. You can make another top divider so you have 6 spaces.
