### **Supplies:**

- Metric Scor-Pal®
- Scor-Mat™
- Craft Knife
- Metal Edged Ruler
- Adhesive of choice
- Several patterns of coordinated decorative paper
- Embellishments, as desired
- Stamps and ink, as desired

### **Step 1**

Align the 30 cm side to the top fence, left side, and score at 5 cm, 10 cm, 20 cm and 25 cm  
*This is an exception to the normal mountain and valley accordion scoring due to the complexity of the folds.*

### **Step 2 and 3**

Place Scor-Mat™ on Scor-Pal®. Align the 14.7 cm side to the top fence, left side. Using a craft knife and metal edged ruler, make a cut on the 4cm line (ensure that your ruler lines up at the 4 cm mark on the top and bottom for straight cuts) from the 5 cm score line to the 25 cm score line, as indicated by the white hashed lines in the photo. Rotate paper and repeat on other side.

### **Step 4**

Prefold scores as illustrated below. Set scores with your Scor-Tool.™

**Step 5**

Adhere patterned paper panels. Stamp image panels with stamps and ink. Embellish as desired with ribbons, buttons, brads, eyelets, etc.
