Supplies:

7" x 7" square of cardstock
2 3/4" x 2 3/4" square patterned paper, cut diagonally
2 1/2" x 2 1/2" square patterned paper, cut diagonally
Giga scalloped punch
Smaller circle punches or other cutting system
Crop-a-dile
Adhesive such as Scor-Tape or Zip Dry
Brad or eyelet
pencil

Step 1: Score the 7" square in half diagonally by lining up the points on the 6" groove.

Step 2: Turn the paper over, align points with 6" groove, score one side at 3 1/2". Fold on the diagonal and fold down corner.

Step 3: Turn the piece over. Align points at 5 3/4" score as best you can at 3 1/2" and 8". It is very thick. Fold sides in. Use Scor-Tool to flatten and sharpen creases.

Step 4: Adhere larger of the square diagonals to the back and inner flap.

Step 5: Adhere smaller of the square diagonals to the side flaps.

Step 6: Use the crop-a-dile to make a hole for a brad or eyelet.

Step 7: Make an insert.
